THE ARISTOCRACY OF LONDON, TITLED, UNTITLED, PROFESSIONAL COMMERCIAL.

PART I.
KENSINGTON.

PREFACE.

THE object of the present work is to record the family particulars, military and civil services, distinctions, public employments, professional and commercial pursuits, and general personal information in regard to that large section of the community who dwell at the “West End,” and in kindred localities.

Hitherto books of the same character have been restricted to the titled and territorial classes; excluding as a rule those whom education and intelligence—tested by their professional and commercial pursuits—have rendered equally deserving of honourable and gratifying mention, forming as they do the bulk of what is termed good society.

To supply this deficiency is the intent of the present publication, which aims, as already suggested, at being a handbook to the nobility and gentry of London—the term gentry being understood to include logically those to whom the title of gentleman has been accorded by common consent—those as a rule whose vocation in life does not debar them from admission to our West End Clubs.

To the work, as a whole, we have given the title of “ARISTOCRACY OF LONDON,” as a compliment in the first place to that titular and hereditary element to which alone the word “Aristocracy” has been hitherto assumed to belong, and next as a tribute to that other intellectual and commercial element to which, in a wider sense, it may be equally allowed to apply; as a homage, in short, to that eminence of rank and that eminence of intelligence which, combined, impart their tone to our educated classes, and necessarily to the reflex of these, the present publication.

On the special interest which a work such as the “ARISTOCRACY OF LONDON” must possess in the eyes of our oligarchic public—to say nothing of its indispensable utility to every person moving in society—it is needless here

to dilate: the numerous personal books, peerage and other, which have preceded it in popular estimation, constituting at once our reason and apology for endeavouring to achieve comprehensively that which has hitherto been attempted in fragments only.

For the sake of convenience the “ARISTOCRACY OF LONDON,” will be divided into eight parts, to be annually revised and corrected, namely:

- 1.—THE ARISTOCRACY OF KENSINGTON.
- 2.—THE ARISTOCRACY OF NOTTING HILL AND BAYSWATER.
- 3.—THE ARISTOCRACY OF PADDINGTON AND ST. JOHN’S WOOD.
- 4.—THE ARISTOCRACY OF PORTMAN, CAVENDISH, AND RUSSELL SQUARES, &c.
- 5.—THE ARISTOCRACY OF HYDE PARK AND MAY FAIR.
- 6.—THE ARISTOCRACY OF ST. JAMES AND BELGRAVIA.
- 7.—THE ARISTOCRACY OF BROMPTON AND CHELSEA, &c.
- 8.—MISCELLANEOUS AND SUPPLEMENTARY.

The first of these parts, the “ARISTOCRACY OF KENSINGTON,” is now presented to the public. While rendering the contents at once available by a copious index to the nearly 800 notices which the body of the work contains, we have adopted the novel and attractive plan of ranging the information we have been able to acquire under the heads of the streets, and according to the numbers or appellations therein of the houses at which the various parties reside—thus at once illustrating the street and the individual. It must not, however, be assumed that those persons whose names are not included in the following pages are therefore not entitled to appear. Omissions and errors, the results of deficiency of information, are inseparable from a work of this character, especially in the first issue. Future editions will enable us to be more copious and doubtless more accurate. At the same time, we cannot deny that the work, as it stands, contains the “cream” of those who dwell in the KENSINGTON District, so far at least as we can judge from the numerous replies we have received to our applications, showing a ready and courteous disposition to communicate information on the part of those generally, it is to be inferred, who had any

to offer. This friendly co-operation we heartily and gratefully acknowledge, and we trust that those whom our enquiries have accidentally not reached, will enable us to make the *amende* in our next edition.

It only remains for us to announce that the “ARISTOCRACY OF LONDON” will be followed, in due course, by the “COUNTY ARISTOCRACY,” in a series of parts, each in itself complete, devoted to the “Aristocracy of the Empire.”

Annual Subscription—One Guinea.

The want has long been felt, by residents in the country, of a house in London to represent their interests in those ever-recurring matters which connect them with the metropolis.

Whether for the effecting of purchases, large or small, the receipt or transmission of parcels, the receipt of interest and dividends, the instituting of inquiries, or the general attention to requirements as various as the occasions which produce them—the country portion of the public has hitherto been unable to utilise the resources of the British capital, except through the often unpleasant alternative of troubling friends, or of an expensive, and sometimes fruitless journey to town.

This general want the firm of Messrs. O'BYRNE supplies to its subscribers at the simple charge of one guinea per annum.

For the payment, therefore, of this sum, made annually in advance, their subscribers are entitled:—

1. To have all their purchases effected, of a domestic or other character, in the London market, at a cheaper rate, and of a better quality, than can be done generally in the country.
2. To a constant address, where all letters and parcels may be sent.
3. To the supply of information on all subjects on which information can be obtained.
4. To the receipt of interest and dividends.
5. To the effecting of sales and investments.

6. To the procuring of passages to all foreign and colonial ports.
7. To the supplying of outfits, &c.
8. To the effecting of fire and life assurances, &c. &c.

Estimates provided.

CHLORODYNE

(*Trade Mark.*)

DISCOVERED AND NAMED BY
Dr. J. COLLIS BROWNE, M.R.C.S.L.,
EX-ARMY MEDICAL STAFF.

The question asked by invalids, families, and households is—What is the best medicine to give in the above diseases, and what to have always ready? Medical testimony, the reply of thousands of sufferers and invalids, is confirmatory of the invaluable relief afforded by this remedy above all others.

CHLORODYNE is a liquid taken in drops according to age. It invariably relieves pain of whatever kind; creates a calm refreshing sleep; allays irritation of the nervous system when *all other remedies fail*; leaving no bad effects like opium or laudanum, and can be taken when none other can be tolerated. Its value in saving life in infancy is not easily estimated; a few drops will subdue the irritation of Teething, prevent and arrest Convulsions, cure Whooping Cough, Spasms, and Flatus at *once*.

Among Invalids it allays the pain of Neuralgia, Rheumatism, Gout, &c. It soothes the weary achings of Consumption, relieves the Soreness of the Chest, Cough, and Expectoration; and cures all Chest affections, such as Asthma, Bronchitis, Palpitation, &c. It checks Diarrhœa, Alvine Discharges, or Spasms and Colics of the Intestines, &c.

The extensive demand for this remedy, known as DR. J. COLLIS BROWNE'S CHLORODYNE, by the Medical Profession, Hospitals, Dispensaries—Civil, Military, and Naval—and Families especially, guarantees that this statement of its extreme importance and value is a *bona fide* one, and worthy the attention of all.

EXTRACTS OF MEDICAL OPINIONS.

From W. VESALIUS PETTIGREW, M.D.—“I have no hesitation in stating that I have never met with any medicine so efficacious as an anti-spasmodic and sedative. I have used it in Consumption, Asthma, Diarrhœa, and other diseases, and am most perfectly satisfied with the results.”

From DR. M'MILLMAN, of New Galloway, Scotland.—“I consider it the most valuable medicine known.”

G. HAYWARD, Esq., Surgeon, Stow-on-ye-Wold.—“I am now using DR. J. COLLIS BROWNE'S CHLORODYNE with marvellous good effects in allaying inveterate sickness in pregnancy.”

DR. M'GRIGOR CROFT, late Army Staff, says: “It is a most valuable medicine.”

J. C. BAKER, Esq., M.D., Bideford: “It is without doubt the most valuable and certain anodyne we have.”

DR. GIBBON, Army Medical Staff, Calcutta: “Two doses completely cured me of Diarrhœa.”

From G. V. RIDOUT, Esq., Surgeon, Egham: “As an astringent in severe Diarrhœa, and an anti-spasmodic in Colic, with Cramps in the Abdomen, the relief is instantaneous. As a sedative in Neuralgia and Tic-Doloreux, its effects were very remarkable. In Uterine Affections I have found it extremely valuable.”

CAUTION.—Beware of Spurious Compounds, or Imitations of “Chlorodyne.” Dr. Browne placed the Recipe for making “Chlorodyne” in the hands of Mr. Davenport ONLY; consequently there can be no other

Manufacturer. The genuine bears the words “Dr. J. Collis Browne’s Chlorodyne” on the Government Stamp of each Bottle.

Sold only in Bottles, at 2s. 9d., and 4s. 6d., by the Sole Agent and Manufacturer.

Updated editions will replace the previous one—the old editions will be renamed.

Creating the works from print editions not protected by U.S. copyright law means that no one owns a United States copyright in these works, so the Foundation (and you!) can copy and distribute it in the United States without permission and without paying copyright royalties. Special rules, set forth in the General Terms of Use part of this license, apply to copying and distributing Project Gutenberg™ electronic works to protect the PROJECT GUTENBERG™ concept and trademark. Project Gutenberg is a registered trademark, and may not be used if you charge for an eBook, except by following the terms of the trademark license, including paying royalties for use of the Project Gutenberg trademark. If you do not charge anything for copies of this eBook, complying with the trademark license is very easy. You may use this eBook for nearly any purpose such as creation of derivative works, reports, performances and research. Project Gutenberg eBooks may be modified and printed and given away—you may do practically ANYTHING in the United States with eBooks not protected by U.S. copyright law. Redistribution is subject to the trademark license, especially commercial redistribution.

START: FULL LICENSE

THE FULL PROJECT GUTENBERG™ LICENSE

PLEASE READ THIS BEFORE YOU DISTRIBUTE OR USE THIS WORK

To protect the Project Gutenberg™ mission of promoting the free distribution of electronic works, by using or distributing this work (or any other work associated in any way with the phrase “Project Gutenberg”), you agree to comply with all the terms of the Full Project Gutenberg License available with this file or online at www.gutenberg.org/license.

Section 1. General Terms of Use and Redistributing Project Gutenberg electronic works

1.A. By reading or using any part of this Project Gutenberg electronic work, you indicate that you have read, understand, agree to and accept all the terms of this license and intellectual property (trademark/copyright) agreement. If you do not agree to abide by all the terms of this agreement, you must cease using and return or destroy all copies of Project Gutenberg electronic works in your possession. If you paid a fee for obtaining a copy of or access to a Project Gutenberg electronic work and you do not agree to be bound by the terms of this agreement, you may obtain a refund from the person or entity to whom you paid the fee as set forth in paragraph 1.E.8.

1.B. “Project Gutenberg” is a registered trademark. It may only be used on or associated in any way with an electronic work by people who agree to be bound by the terms of this agreement. There are a few things that you can do with most Project Gutenberg electronic works even without complying with the full terms of this agreement. See paragraph 1.C below. There are a lot of things you can do with Project Gutenberg electronic works if you follow the terms of this agreement and help preserve free future access to Project Gutenberg electronic works. See paragraph 1.E below.

1.C. The Project Gutenberg Literary Archive Foundation (“the Foundation” or PGLAF), owns a compilation copyright in the collection of Project Gutenberg electronic works. Nearly all the individual works in the collection are in the public domain in the United States. If an individual work is unprotected by copyright law in the United States and you are

located in the United States, we do not claim a right to prevent you from copying, distributing, performing, displaying or creating derivative works based on the work as long as all references to Project Gutenberg are removed. Of course, we hope that you will support the Project Gutenberg mission of promoting free access to electronic works by freely sharing Project Gutenberg works in compliance with the terms of this agreement for keeping the Project Gutenberg name associated with the work. You can easily comply with the terms of this agreement by keeping this work in the same format with its attached full Project Gutenberg License when you share it without charge with others.

1.D. The copyright laws of the place where you are located also govern what you can do with this work. Copyright laws in most countries are in a constant state of change. If you are outside the United States, check the laws of your country in addition to the terms of this agreement before downloading, copying, displaying, performing, distributing or creating derivative works based on this work or any other Project Gutenberg work. The Foundation makes no representations concerning the copyright status of any work in any country other than the United States.

1.E. Unless you have removed all references to Project Gutenberg:

1.E.1. The following sentence, with active links to, or other immediate access to, the full Project Gutenberg License must appear prominently whenever any copy of a Project Gutenberg work (any work on which the phrase “Project Gutenberg” appears, or with which the phrase “Project Gutenberg” is associated) is accessed, displayed, performed, viewed, copied or distributed:

This eBook is for the use of anyone anywhere in the United States and most other parts of the world at no cost and with almost no restrictions whatsoever. You may copy it, give it away or re-use it under the terms of the Project Gutenberg™ License included with this eBook or online at www.gutenberg.org. If you are not located in the United States, you will have to check the laws of the country where you are located before using this eBook.

1.E.2. If an individual Project Gutenberg electronic work is derived from texts not protected by U.S. copyright law (does not contain a notice indicating that it is posted with permission of the copyright holder), the work can be copied and distributed to anyone in the United States without paying any fees or charges. If you are redistributing or providing access to a work with the phrase “Project Gutenberg” associated with or appearing on the work, you must comply either with the requirements of paragraphs 1.E.1 through 1.E.7 or obtain permission for the use of the work and the Project Gutenberg trademark as set forth in paragraphs 1.E.8 or 1.E.9.

1.E.3. If an individual Project Gutenberg electronic work is posted with the permission of the copyright holder, your use and distribution must comply with both paragraphs 1.E.1 through 1.E.7 and any additional terms imposed by the copyright holder. Additional terms will be linked to the Project Gutenberg License for all works posted with the permission of the copyright holder found at the beginning of this work.

1.E.4. Do not unlink or detach or remove the full Project Gutenberg License terms from this work, or any files containing a part of this work or any other work associated with Project Gutenberg.

1.E.5. Do not copy, display, perform, distribute or redistribute this electronic work, or any part of this electronic work, without prominently displaying the sentence set forth in paragraph 1.E.1 with active links or immediate access to the full terms of the Project Gutenberg License.

1.E.6. You may convert to and distribute this work in any binary, compressed, marked up, nonproprietary or proprietary form, including any word processing or hypertext form. However, if you provide access to or distribute copies of a Project Gutenberg work in a format other than “Plain Vanilla ASCII” or other format used in the official version posted on the official Project Gutenberg website (www.gutenberg.org), you must, at no additional cost, fee or expense to the user, provide a copy, a means of exporting a copy, or a means of obtaining a copy upon request, of the work in its original “Plain Vanilla ASCII” or other form. Any alternate format must include the full Project Gutenberg License as specified in paragraph 1.E.1.

1.E.7. Do not charge a fee for access to, viewing, displaying, performing, copying or distributing any Project Gutenberg works unless you comply with paragraph 1.E.8 or 1.E.9.

1.E.8. You may charge a reasonable fee for copies of or providing access to or distributing Project Gutenberg electronic works provided that:

- You pay a royalty fee of 20% of the gross profits you derive from the use of Project Gutenberg works calculated using the method you already use to calculate your applicable taxes. The fee is owed to the owner of the Project Gutenberg trademark, but he has agreed to donate royalties under this paragraph to the Project Gutenberg Literary Archive Foundation. Royalty payments must be paid within 60 days following each date on which you prepare (or are legally required to prepare) your periodic tax returns. Royalty payments should be clearly marked as such and sent to the Project Gutenberg Literary Archive Foundation at the address specified in Section 4, "Information about donations to the Project Gutenberg Literary Archive Foundation."
- You provide a full refund of any money paid by a user who notifies you in writing (or by e-mail) within 30 days of receipt that s/he does not agree to the terms of the full Project Gutenberg™ License. You must require such a user to return or destroy all copies of the works possessed in a physical medium and discontinue all use of and all access to other copies of Project Gutenberg™ works.
- You provide, in accordance with paragraph 1.F.3, a full refund of any money paid for a work or a replacement copy, if a defect in the electronic work is discovered and reported to you within 90 days of receipt of the work.
- You comply with all other terms of this agreement for free distribution of Project Gutenberg™ works.

1.E.9. If you wish to charge a fee or distribute a Project Gutenberg™ electronic work or group of works on different terms than are set forth in this agreement, you must obtain permission in writing from the Project Gutenberg Literary Archive Foundation, the manager of the Project

Gutenberg™ trademark. Contact the Foundation as set forth in Section 3 below.

1.F.

1.F.1. Project Gutenberg volunteers and employees expend considerable effort to identify, do copyright research on, transcribe and proofread works not protected by U.S. copyright law in creating the Project Gutenberg™ collection. Despite these efforts, Project Gutenberg™ electronic works, and the medium on which they may be stored, may contain “Defects,” such as, but not limited to, incomplete, inaccurate or corrupt data, transcription errors, a copyright or other intellectual property infringement, a defective or damaged disk or other medium, a computer virus, or computer codes that damage or cannot be read by your equipment.

1.F.2. LIMITED WARRANTY, DISCLAIMER OF DAMAGES - Except for the “Right of Replacement or Refund” described in paragraph 1.F.3, the Project Gutenberg Literary Archive Foundation, the owner of the Project Gutenberg™ trademark, and any other party distributing a Project Gutenberg™ electronic work under this agreement, disclaim all liability to you for damages, costs and expenses, including legal fees. YOU AGREE THAT YOU HAVE NO REMEDIES FOR NEGLIGENCE, STRICT LIABILITY, BREACH OF WARRANTY OR BREACH OF CONTRACT EXCEPT THOSE PROVIDED IN PARAGRAPH 1.F.3. YOU AGREE THAT THE FOUNDATION, THE TRADEMARK OWNER, AND ANY DISTRIBUTOR UNDER THIS AGREEMENT WILL NOT BE LIABLE TO YOU FOR ACTUAL, DIRECT, INDIRECT, CONSEQUENTIAL, PUNITIVE OR INCIDENTAL DAMAGES EVEN IF YOU GIVE NOTICE OF THE POSSIBILITY OF SUCH DAMAGE.

1.F.3. LIMITED RIGHT OF REPLACEMENT OR REFUND - If you discover a defect in this electronic work within 90 days of receiving it, you can receive a refund of the money (if any) you paid for it by sending a written explanation to the person you received the work from. If you received the work on a physical medium, you must return the medium with your written explanation. The person or entity that provided you with the defective work may elect to provide a replacement copy in lieu of a refund. If you received the work electronically, the person or entity providing it to

you may choose to give you a second opportunity to receive the work electronically in lieu of a refund. If the second copy is also defective, you may demand a refund in writing without further opportunities to fix the problem.

1.F.4. Except for the limited right of replacement or refund set forth in paragraph 1.F.3, this work is provided to you 'AS-IS', WITH NO OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE.

1.F.5. Some states do not allow disclaimers of certain implied warranties or the exclusion or limitation of certain types of damages. If any disclaimer or limitation set forth in this agreement violates the law of the state applicable to this agreement, the agreement shall be interpreted to make the maximum disclaimer or limitation permitted by the applicable state law. The invalidity or unenforceability of any provision of this agreement shall not void the remaining provisions.

1.F.6. INDEMNITY - You agree to indemnify and hold the Foundation, the trademark owner, any agent or employee of the Foundation, anyone providing copies of Project Gutenberg™ electronic works in accordance with this agreement, and any volunteers associated with the production, promotion and distribution of Project Gutenberg™ electronic works, harmless from all liability, costs and expenses, including legal fees, that arise directly or indirectly from any of the following which you do or cause to occur: (a) distribution of this or any Project Gutenberg work, (b) alteration, modification, or additions or deletions to any Project Gutenberg work, and (c) any Defect you cause.

Section 2. Information about the Mission of Project Gutenberg

Project Gutenberg is synonymous with the free distribution of electronic works in formats readable by the widest variety of computers including obsolete, old, middle-aged and new computers. It exists because of the

efforts of hundreds of volunteers and donations from people in all walks of life.

Volunteers and financial support to provide volunteers with the assistance they need are critical to reaching Project Gutenberg's goals and ensuring that the Project Gutenberg collection will remain freely available for generations to come. In 2001, the Project Gutenberg Literary Archive Foundation was created to provide a secure and permanent future for Project Gutenberg and future generations. To learn more about the Project Gutenberg Literary Archive Foundation and how your efforts and donations can help, see Sections 3 and 4 and the Foundation information page at www.gutenberg.org.

Section 3. Information about the Project Gutenberg Literary Archive Foundation

The Project Gutenberg Literary Archive Foundation is a non-profit 501(c)(3) educational corporation organized under the laws of the state of Mississippi and granted tax exempt status by the Internal Revenue Service. The Foundation's EIN or federal tax identification number is 64-6221541. Contributions to the Project Gutenberg Literary Archive Foundation are tax deductible to the full extent permitted by U.S. federal laws and your state's laws.

The Foundation's business office is located at 41 Watchung Plaza #516, Montclair NJ 07042, USA, +1 (862) 621-9288. Email contact links and up to date contact information can be found at the Foundation's website and official page at www.gutenberg.org/contact

Section 4. Information about Donations to the Project Gutenberg Literary Archive Foundation

Project Gutenberg™ depends upon and cannot survive without widespread public support and donations to carry out its mission of increasing the number of public domain and licensed works that can be freely distributed in machine-readable form accessible by the widest array of equipment

including outdated equipment. Many small donations (\$1 to \$5,000) are particularly important to maintaining tax exempt status with the IRS.

The Foundation is committed to complying with the laws regulating charities and charitable donations in all 50 states of the United States. Compliance requirements are not uniform and it takes a considerable effort, much paperwork and many fees to meet and keep up with these requirements. We do not solicit donations in locations where we have not received written confirmation of compliance. To SEND DONATIONS or determine the status of compliance for any particular state visit www.gutenberg.org/donate.

While we cannot and do not solicit contributions from states where we have not met the solicitation requirements, we know of no prohibition against accepting unsolicited donations from donors in such states who approach us with offers to donate.

International donations are gratefully accepted, but we cannot make any statements concerning tax treatment of donations received from outside the United States. U.S. laws alone swamp our small staff.

Please check the Project Gutenberg web pages for current donation methods and addresses. Donations are accepted in a number of other ways including checks, online payments and credit card donations. To donate, please visit: www.gutenberg.org/donate.

Section 5. General Information About Project Gutenberg electronic works

Professor Michael S. Hart was the originator of the Project Gutenberg concept of a library of electronic works that could be freely shared with anyone. For forty years, he produced and distributed Project Gutenberg eBooks with only a loose network of volunteer support.

Project Gutenberg eBooks are often created from several printed editions, all of which are confirmed as not protected by copyright in the U.S. unless a

copyright notice is included. Thus, we do not necessarily keep eBooks in compliance with any particular paper edition.

Most people start at our website which has the main PG search facility:
www.gutenberg.org.

This website includes information about Project Gutenberg, including how to make donations to the Project Gutenberg Literary Archive Foundation, how to help produce our new eBooks, and how to subscribe to our email newsletter to hear about new eBooks.
